Apartment Antibes

Because we like stylish apartments, because the volumes are as important as the areas, because the proximity to beaches and shops are incompressible criteria, this 3-room apartment, located on Boulevard Foch is a real favorite ! On the second and last floor (no elevator), this apartment is through and benefits from a very beautiful light. The high ceilings give a lot of style. Currently configured as a large 2-room apartment of 72m², it is composed of an entrance hall, a double living room with balcony, a bedroom with a water point, a separate fitted kitchen and a bathroom.
